v.

Defendant:

1) **Ciro Aminadab CELAYA-Hernandez**

On May 12, 2022, Border Patrol Agents (BPA) Kristen Miller, Arturo Gonzalez, Rafael Ortega, Abel Luevano, and Andrew Jones were assigned to the Highway 118 Checkpoint located approximately 15 miles south of Alpine, Texas. At approximately 11:25 p.m., a silver 2007 Jeep Cherokee, entered the primary inspection area of the checkpoint. The vehicle was driven by LANZA-Hernandez, Marjorie but at the time of inspection she provided a B1/B2 Visa with the name of MARTINEZ-Tinajero, Beatriz Yesenia. BPA Miller identified herself as a United States Border Patrol Agent and performed an immigration inspection of LANZA-Hernandez. All occupants handed BPA Luevano their Border Crossing Cards and BPA Miller advised LANZA-Hernandez to go to secondary for further inspection.

BPA Luevano and Jones ran records checks through Big Bend Sector Communications (KAK 900). Returns on the subjects' Border Crossing Cards came back negative and the I-94s that were presented all used the same registration number. The I-94 Form presented came back to a another individual not present at the checkpoint.

BPA Luevano began questioning the subjects about the documents presented. BPA Luevano also asked the subjects if they were illegally present in the United States. LANZA-Hernandez stated that the documents were false and that she was illegally present in the United States. BPA Luevano asked LANZA-Hernandez if the documents the other passengers presented were false as well, and she replied that they were also fictitious documents. The remaining subjects were also questioned as to their citizenship to which they stated that they were citizens of Mexico and illegally present in the United States. The remaining subjects were asked to step out of the vehicle and placed under arrest for being illegally present in the United States.

Ciro CELAYA-Hernandez was fingerprinted, and records checks revealed that he was a citizen of El Salvador and had no prior immigration history.

CELAYA-Hernandez was advised of his Miranda Rights by BPA Gonzalez and witnessed by BPA Luevano. He waived his rights and was willing to answer questions. He claimed to not know details about fees for the documents however, he stated he crossed the Rio Grande River with the other three subjects. After crossing, he was handed the false documents and told to get into the vehicle.
